GUIDED TOURS OF THE ARTIST STUDIOS

N. C. WYETH HOUSE & STUDIO TOUR

In 1911, with the proceeds from his illustrations for *Treasure Island*, N. C. Wyeth purchased 18 acres of land in the village of Chadds Ford where he built his house and studio. Here he set down roots, which have nourished a family of extraordinary creativity for more than a century. Through this tour, groups will get to know the Wyeth family more intimately, discovering how it all began.

ANDREW WYETH STUDIO TOUR

Andrew Wyeth painted many of his most important works of art in his Chadds Ford studio between 1940 and 2008, inspired by the people, architecture and landscapes of Chadds Ford. Extremely private during his lifetime, this tour gives groups a truly unique opportunity to see where he once lived and worked.
