93rd RADNOR HUNT RACES

Saturday, May 18, 2024

Celebrate 93 years of steeplechase in Chester County!

With everything from amazing tailgates, fancy hats and bow ties to the parade of antique carriages and thoroughbreds racing for the finish, Radnor Hunt Races is a day filled with elegance, excitement, and fun. Race day is about steeplechase racing, it's about fashion, and it's about tradition! It's about 10,000 friends and family supporting open space and clean water in our region.

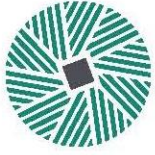

Since 1980, Brandywine, with help from the Radnor Hunt Race Committee, has planned and hosted the Radnor Hunt Races, highlighting the connection between equestrian pursuits and open space. Since then, the Race for Open Space has been a key fundraiser to support the Brandywine Conservancy's open space and clean water programs. Net proceeds from corporate tents and sponsorships; tent and tailgate reservations; and souvenir, program, and ad sales from the Races all support the Conservancy's land and water protection efforts.

We hope you'll consider supporting the Brandywine Conservancy by giving to the Radnor Hunt Races today. Your donation will help us save and protect even more of our region's precious resources and also provide the ability to produce a magical day at the Races!
