

About Radnor Hunt Races

With everything from amazing tailgates, fancy hats and bow ties to the parade of antique carriages and thoroughbreds racing for the finish, Radnor Hunt Races is a day filled with elegance, excitement, and fun. Race day is about steeplechase racing, it's about fashion, and it's about tradition! Most importantly, it's about 10,000 friends and family supporting the protection of open space and clean water in our region.

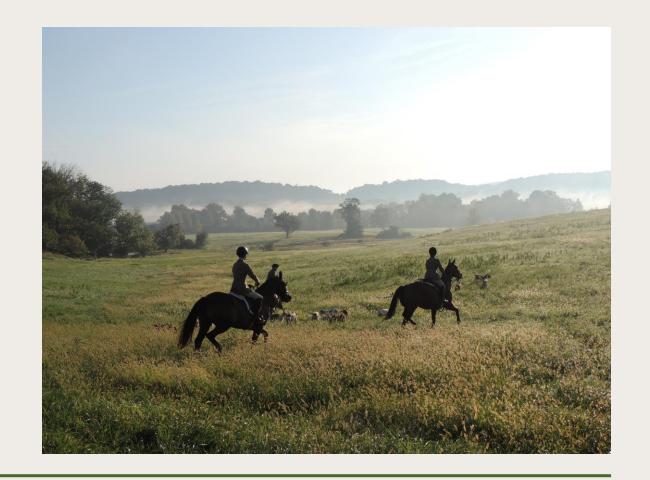

Brandywine Conservancy

In 1980, then Race Chair and philanthropist Elizabeth "Betty" Ranney Moran and conservationist and Brandywine Conservancy founder George "Frolic" Weymouth formed the partnership between the Races and the Conservancy as the race's sole beneficiary, highlighting the connection between equestrian pursuits and open space.

Since then, net proceeds from corporate tents and sponsorships; tent and tailgate reservations; and souvenir, program, and ad sales have supported the Conservancy's land and water protection efforts.

To date, the Race for Open Space has raised more than \$5.5 million in support of the Conservancy's open space and clean water programs and over 70,000 acres are permanently protected, including the Radnor Hunt racecourse itself and the surrounding lands.
