

BRANDYWINE CREEK GREENWAY ADDS DELAWARE!

Brandywine Conservancy's Fall 2019 Joint Subscribers and Brandywine Creek Greenway Meeting

For the last two years, the Brandywine Conservancy has been working closely with Delaware Greenways and other new partners to extend the Brandywine Creek Greenway an additional 10 miles from Chadds Ford, Pennsylvania to where the Brandywine meets the Christina River in the City of Wilmington. Join us for an evening of discovery as we introduce our Delaware partners and highlight the draft Delaware expansion concept for the Greenway. For the first time since the Greenway began in 2010, speakers from both sides of the PA/DE border will highlight their accomplishments and current initiatives within the 40-mile long, bi-state Brandywine Creek Greenway. Come early to peruse plans and projects displayed by our municipal partners. For more information, see the list of speakers on the back of this announcement.

WHERE: Brandywine River Museum of Art
1 Hoffman's Mill Road, Chadds Ford, PA 19317

WHEN: Thursday, October 17, 2019
6–7 p.m. buffet dinner in the Millstone Cafe
6:30–7 p.m. project displays in the River Room
7–9 p.m. program in the River Room (riverside entrance)

COST: Free to all 2019 Subscribing members and Brandywine Creek Greenway partners. Other municipal officials, volunteers, and staff are welcome to join the 7 p.m. program (\$5 registration fee per person)

Registration deadline is October 10, 2019
RSVP to emanuele@brandywine.org

Doors at the Riverside Entrance for the 7 p.m. event will open at 6:30 p.m. Light fare and beverages will be provided.
